### Principal's Message

This has been a very exciting year for all of us at Highlands Junior High School. Two staff members became proud parents over the course of the year, and there was even an engagement announced. This was also the first year with our Curriculum Coordinator, Joanne Aldridge, who did an outstanding job in guiding the staff towards achieving the goals of our Instructional Focus. In addition, Highlands welcomed the new students of grade 7, as well as several in grades 8 and 9. There were also a few wonderful additions to our teaching staff.

In revisiting our "house", I would like to thank our grade 9's for leaving a strong foundation upon which our grade 7's and 8's can build. Thank-you and all the best of luck in the future!

We hope that as you look back on this year, you will remember all the laughs, interesting people, and fun things you experienced. Thank-you to all our students, staff, parents, and volunteers for making this another fantastic year at Highlands!
